A ninja with a bloody past and a princess with a bloody future.

It is the age of Civil War, a time of warlords and violence. Yasaburo is a ninja without a purpose, and the only survivor from his clan. He meets Rangiku, a young girl of noble decent whose family was murdered by the henchmen of General Karimata. Now she fights using her father's strange puppets, the very creations Karimata was out to capture. Together with Yasaburo, she fights through 16th Century Japan, and soaks the dusty streets in blood. When the Puppet Princes makes her puppets dance, bodies will fly like broken toys.
